

Sustainability Forum 2025:

Bridging Research and Practice for a Sustainable Future

August 25, 2025, Thammasat Business School proudly hosted the Sustainability Forum 2025, a platform to connect academic research with business practices for a sustainable future. The Forum opened with an inspiring keynote by Professor Dr. Sakun Boon-itt, setting the tone for the day. This was followed by a lively panel discussion with three distinguished practitioners: Dr. Tinnabhop Santadkha, Sustainability Innovation Specialist, Indorama Ventures Ltd. Ms. Budsayada Youngphuengmontra, Independent ESG Consultant and Mr. Kullawit Limchularat, Senior Sustainability Development Specialist, Boon Rawd Brewery Co., Ltd.

The program also highlighted recent research findings presented by Dr. Sukrit Vinayavekhin and Asst. Prof. Linh Nguyen, which provided valuable academic perspectives to support sustainability practices.

The Forum concluded with thoughtful closing remarks from Dr. Piyakarn Supanchanaburee, and the event was made possible through the excellent coordination of Assoc. Prof. Dr. Kedwadee Sombultawee together with the TBS team. We sincerely thank our keynote speaker, panelists, research presenters, organizers, and all participants for making this forum a great success. Thammasat Business School remains committed to building bridges between research and practice to advance sustainability.
