

"GLOBAL EXPERT SHARING ON ACTIVE AGEING"

The Faculty of Public Health, Thammasat University, cordially invites you to “Global Expert Sharing on Active Ageing” , an international knowledge- sharing forum bringing together distinguished experts from around the world to exchange insights, experiences, and best practices on active and sustainable ageing.

This event aims to foster cross-cultural learning and collaboration through storytelling, dialogue, and shared perspectives on ageing societies, contributing to inclusive and sustainable health systems for all generations. Date: 28 January 2026 Time: 09.00 – 11.00 AM Venue: Pridi Banomyong Meeting Room, 3rd Floor, Dome Administration Building Thammasat University, Rangsit Campus

Join us for an inspiring morning of global perspectives, meaningful discussions, and collective learning toward a future of active ageing.

You are cordially invited to
