

Thammasat University Notification  
on  
Measures and Recommendations on the Prevention and Control of Coronavirus  
(COVID-19) No. 18

---

Pursuant to Thammasat University Notification on Measures and Recommendations on the Prevention and Control of Coronavirus (COVID-19) No. 17, the university follows the announcements from the Center for COVID-19 Situation Administration's (CCSA) dated 29 January 2021 and from the Ministry of Higher Education, Science, Research and Innovation (MHESI) No. 10 which stipulates operation guidelines for institutions of higher education in responding to Covid-19 situations.

With concern for personnel's health and in order to prevent the spread of disease and reduce infection risks for faculty members and staff having to travel for work or various activities, Thammasat University hereby issues the following measures.

1. Operation at all four campuses, Ta Prachan, Rangsit, Lampang and Pattaya, shall resume on 1 February 2021, under strict public health and hygiene measures stipulated by the government and the university.
2. Dean/Director or Vice Rector in charge shall consider assigning personnel to work from home (WfH), using staggered working hours, and limiting the number of officers at office. Staff shall be assigned to rotate and work at offices no more than 50 percent of the total staff number shall be stationed at the office. In so doing, the format prescribed in Thammasat University Notification on Measures and Recommendations on the Prevention and Control of COVID-19 No.6 shall be appropriately implemented.

Effective from 1 February 2021.

Given on January 29, 2021

(Associate Professor Gasinee Witoonchart)  
Rector
