

Thammasat University Notification
on
Measures and Vigilance against the Spread of Coronavirus (2019-nCoV)

Pursuant to the situation regarding the spread of coronavirus (2019-nCoV), which originated in Wuhan, China, causing severe infection and the detection of infected persons traveling to Thailand,

On 26 January, 2020, Thammasat University requested its Faculties and offices to gather information, and monitor students and personnel traveling to or from China. The infection situation has, however, not improved.

Concerned about the situation, Thammasat University hereby issues the Notification on Measures and Vigilance against the Spread of Coronavirus to prevent and monitor the spread of coronavirus as follows.

1. Chinese students traveling to China during the past two weeks and not yet returning to Thailand are to remain in China for at least two more weeks. The relevant Faculty or office is requested to contact the students and inform them of timing which is appropriate for the situation. When the students return, the Faculty or office should schedule additional classes for them.
2. The Faculty or office will request Chinese students residing in Thailand and not returning to China during the past two weeks to avoid meeting persons recently returning from China to prevent infection.
3. Students or personnel returning from China after 17 January, 2020 are requested to refrain from coming to work or to class for 10 days from the day of their return to Thailand. They are requested to notify the Faculties or offices of their names, telephone numbers and addresses. The Faculties or offices are requested to forward such information to the Student Affairs Division, telephone number 0-2222-8871 and to closely monitor the students or personnel returning from China.
4. Students or personnel with fever or respiratory tract symptoms should report their case to the Dean or office head, and consult a physician at the hospital for immediate care and treatment.
5. Students or personnel planning to travel to China are requested to postpone their trip. If the trip is necessary, they are requested to avoid crowded venues, to avoid close contact with sneezing or coughing patients, to wear protective masks when in public places, to avoid animal markets and to regularly cleans their hands.

6. The University will closely monitor the situation and may need to request further cooperation from the Faculties, offices, students and personnel in order to remain vigilant and prevent the spread of the virus.

Students and personnel may be informed about the situation on virus spread from the Department of Disease Control website <https://ddc.moph.go.th/viralpneumonia/intro.php>. In the case of incidents or suspected cases of persons contacting the virus, they are requested to notify the Student Affairs Division, telephone number 0-2222-8871 or the Thammasat University Hospital, telephone number 0-2926-9999.

This notification is hereby issued for information and compliance.

泰国国立法政大学关于 2019 年新型冠状病毒感染的肺炎疫情防控工作的紧急通知

鉴于当前源于中国武汉市爆发的新型冠状病毒感染的肺炎疫情形势日趋严峻，且发现感染者已进入泰国境内。

从 2020 年 1 月 26 日，我校通知教职员工和其他部门收集信息并积极协调配合以追踪来往于该国的学生和人员。目前，疫情还没有得到有效控制。

因此，我校密切关注上述疫情，为了遏制疫情蔓延并响应高等教育科学研究创新部的号召，我校决定执行以下措施：

一、过去两周前往中国且尚未返回泰国的中国留学生，请暂时留在中国至少两周。请各学院积极跟进疫情发展，并及时向中国留学生通报情况，待这批中国留学生返校后，立即安排相关的补课工作。

二、请各学院告知过去两周一直留泰、未前往中国的中国留学生，尽量避免与刚从中国来泰的人员见面，以控制病毒感染的风险。

三、于 2020 年 1 月 17 日之后从中国返回泰国的学生或工作人员，请自觉停课或停工十天，自离开中国日期算起。同时请将姓名、电话号码、住址上报学院，学院则将资料递交至学生事务部，联系电话：0-2222-8871，相关人员将密切监测这批学生或工作人员的身体情况。

四、学生及工作人员如出现发烧发热或呼吸道异常等症状，应上报上级主管，并立即就医，不应自行治疗，且密切关注病情变化，以遏制疫情蔓延。

五、即将前往中国的学生及工作人员，请中止行程，如不能中止行程，请尽量避免前往人群密集区，远离呼吸道病患人士，外出时带好口罩，避免出入牲畜交易市场，同时经常使用香皂或洗手液清洁双手。

六、我校时刻密切关注疫情发展情况，并持续与相关部门、学生共同协作应对，以便疫情得到有效控制。

工作人员与学生可以在疾病控制厅的官网(<https://ddc.moph.go.th/viralpneumonia/intro.php>)了解最新的疫情发展情况。与此同时，为了控制疫情蔓延，请各学院立即向学校提交现有相关资料、汇报异常情况，并递交至学生事务服务部。联系电话：0-2222-8871 或泰国国立法政大学医院，联系电话：0-2926-9999。
