

Thammasat University Notification
on
Measures and Recommendations on the Prevention and Control of Coronavirus 19
(COVID-19) (No. 12)

As the situation of infection within the country has improved in progression, on 29 May 2020 the government relaxed the enforcement of certain Phase 3 measures toward return to a way of life similar to normal. With concern for the health of staff and students required to travel to university for work or educational activities, and to prevent the recurrence of severe infection as well as to prepare for the opening of Academic Year 2020, in compliance with the above government measures and regulations,

Thammasat University hereby issues the following measures.

1. Measures for the temporary closure of Thammasat University offices, work from home, and time-lapse working hours at office with limited number of officers in rotation, according to Thammasat University Notification No. 11, shall be maintained until further notice.
2. The use of university venue for meetings, exams, selection exams, short trainings not exceeding 15 days, and other similar activities shall be under discretion of office head or the responsible Vice Rector, in strict compliance with public health and hygiene measures.

Effective from 1 June, 2020 onwards.

Given on 30 May, 2020

(Associate Professor Gasinee Witoonchart)
Rector
