

Thammasat University Notification
on
Guidelines for Implementation of Student Exchange Programs in the COVID-19 Situations
NO. 3

Pursuant to the Notification of Thammasat University on the Guidelines for Implementation of Student Exchange Programs in the COVID-19 Situations dated April 27, 2020 and the Second Notification dated October 1, 2020, further guidelines are announced below.

As some countries, including Thailand, have gradually relaxed entry control, it is possible to observe the right of both Thammasat students and students from partner universities, on the reciprocity basis, to participate in exchange programs, which shall contribute to maintaining and managing exchange number for students in following years.

Thammasat University, therefore, issues the further measures for exchange students in Academic Year 2020 as follows:

Outbound Exchange Programs for Thammasat University Students

1. Students scheduled to exchange in Academic Year 2020 can do so in Semester 2/2020 with the following conditions;
 - (1) The country of the partner university is open for student visa applications.
 - (2) The partner university accepts exchange students in Semester 2/2020.
 - (3) The student has travel arrangements, including airfare and other documents or evidence in accordance with the regulations of the destination country.
 - (4) Written parental consent is obtained in the Confirmation Form for Exchange Program in Semester 2/2020 within the deadline.
 - (5) The student has received approval from his/her Faculty/College/Institution at Thammasat University.

2. Students who affirm to participate in the exchange program in Semester 2/2020 will not be able to change the semester in any case.

3. Students who have earned all the credits required for degree completion can be graduated after their exchange. With this situation, Thammasat University grants special exemption from the requirement of registering at Thammasat University for an addition semester.

Inbound Exchange Programs for (Foreign) Students

1. Students scheduled to exchange in Academic Year 2020 can do so in Semester 2/2020 with the following conditions;
 - (1) The student can apply for student visa to enter Thailand.

- (2) Approval from the home university to participate in student exchange programs with Thammasat University in Semester 2/2020.
- (3) Confirmation of admission by Faculty/College/Institution at Thammasat University.
- (4) The student has travel arrangements, including air ticket, quarantine arrangement, and other documents or evidence required in accordance with the regulations of Thailand.

2. Students who affirm to participate in the exchange program in semester 2/2020 will not be able to change the semester in any case.

This notification shall take effect from now until further notice of change.

Given on 10 October, 2020
