

## Faculty of Public Health Thammasat University

### Erasmus + project

### THE-GLOW Kick-off Meeting

Our administrative team and the faculty members of Global Health programs at the Faculty of Public Health, Thammasat University, hosted the Kick-Off meeting of the Erasmus+ Project, THE-GLOW (Transdisciplinary Higher Education for Global Wellbeing), co-funded by the European Union, on Thursday, July 6, 2023. The meeting brought together the five partner institutions, Thammasat University (TU), Asian Institute of Technology (AIT), Kasetsart University (KU), Heidelberg University (HU), and Maastricht University (UM), as well as representatives from the public, private, and non-government sectors. During the meeting, findings of the preparatory situation analysis were shared and discussions were conducted to consolidate the project outline. Thank you very much to our partners and representatives for their valuable contributions and dedication! Our Kick-Off meeting was a success!
