

international conference on the topic  
" Invest in Solutions to Reduce Open Burning for Clean Air,"  
scheduled for September 5, 2024

You are cordially invited to join the international conference on the topic " Invest in Solutions to Reduce Open Burning for Clean Air," scheduled for September 5, 2024, from 13:30 to 17:00 at the United Nations Conference Center (UNCC), located on Ratchadamnoen Avenue, Phra Nakhon District, Bangkok. The event is organized by the Hub of Talents on Air Pollution and Climate (HTAPC), and it is being held in conjunction with the 5th International Day of Clean Air for Blue Skies (IDCABS) 2024, taking place from September 5 to 6, 2024.

If you are interested in participating, you can register for the conference both in the On-site and Online formats until August 28, 2024, by visiting <https://indico.un.org/event/1012731/overview> or scanning the provided QR Code.

\* After receiving your information, we will send you further details via email, including The final schedule details and The meeting link before September 5, 2024.
