

Congratulations to Ajarn Piyasuda for Endorsing a Groundbreaking Study on Labor and Justice, Published by Stanford University Press

A sincere congratulations to Ajarn Piyasuda Pangsapa of the School of Global Studies, Thammasat University on the honor of reviewing and endorsing Dr. Matan Kaminer's *Capitalist Colonial*, published by Stanford University Press. This ethnographic study provides a vital examination of the intersection between capitalism, colonialism, and labor, with a focus on Thai migrant workers in Israel—an area where Ajarn Piyasuda's expertise truly shines.

We celebrate Ajarn Piyasuda's continued influence in the realm of human rights and ethnography and extend our congratulations to Dr. Matan for this significant academic achievement. Together, your work pushes the boundaries of understanding and justice.
