

Welcoming Bridge International College (BIC) to Thammasat Business School

Today, Assoc. Prof. Dr. Chaturong Napathorn, Associate Dean for Research, Internationalization and Accreditation, had the pleasure of warmly welcoming a delegation from Bridge International College (BIC) — an institution committed to preparing students for global education pathways through strong academic foundations and international collaboration. The delegation included teachers, members of the management team, and students who visited TBS to explore academic opportunities and experience university life firsthand.

Program Highlights

- Introduction to Thammasat Business School, the BBA International Program, Internship, Exchange Program, and Double Degree Opportunities
- Life & Study in BBA, TBS – presented by current BBA students

We were delighted to welcome the teachers and students from BIC, and we look forward to fostering future academic collaboration.
